ON-SITE Training Program

Train Entry level Candidates on the Job

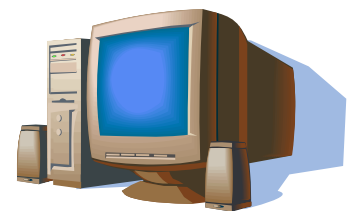

Customize Your Staff

Hire only proven workers

Qualify for tax credits/ Bonus Incentives

HIRE ME I'LL WORK ONE MONTH FREE!!!!!!

- If you are in need of qualified staff, don't play the guessing game, get to know who you are hiring before you pay them
- Let us refer willing candidates you can custom train to your business specifications
- Our participants will work on a trial basis from a one to four week period "at no charge", while you decide who to hire
- CHI staff will also provide additional support to your practice during the participation period at no cost
- Whether it's 2 or 20 on the job trainee workers CHI is ready to meet your individual needs
- The service can be utilized as needed throughout the calendar year & there is no limit as to how many you can employ
- **Additionally CHI offers workers a FREE computer** for completing the program and securing employment. Those who successfully finish the on site training will also qualify for referral to the county sponsored CST program which will provide funds for participants to get their Driver's License, permits, lessons, road test, insurance and even car repairs. Bonus incentive of up to \$2,000 toward the purchase of a car for those who work for six consecutive months.
